U.S. Patent Application No.: 10/518,714
Title: NEW QUINUCLIDINE AMIDE DERIVATIVES
Inventors: Maria PRAT QUINONES
Your Reference: M3-QAMID-001
Our Reference: 09757.0008-00000

Dear Houda:

Thank you for your letter of December 18, 2007, and e-mails of December 20, 2007. In accordance with your instructions, we today filed a Response to Restriction Requirement in the U.S. Patent and Trademark Office. Copies of the as-filed materials are enclosed for your files.

In accordance with your instructions, we will also begin preparing a divisional application directed to the restricted subject material.

As always, if you have any questions or comments, please do not hesitate to contact us.

With best regards,

Sincerely,

Marianne Tenet for:

Anthony C. Tridico
